

To Whom It My Concern

My name is Devonte James Evans , I am 16 years old and was born and raised in Yuma, AZ. I am currently entering my senior year at Cibola High School. I enjoy school and I am going to graduate in May of 2016. I currently play varsity basketball at school and I participate in summer travel basketball. My travel team is called Yuma Heat and since joining the group and winning the USSSA National Championship basketball tournament; basketball became my true passion.

I joined the AAU circuit in 2011 for AAU sports with Yuma Heat travel team. Since then my summers have been filled with tournaments across the United States. My specific age has qualified for National competition annually, traveling to Florida and California. This level of competition has developed me into the player I am today and I look forward to my travels to Nationals this year in Virginia. Hopefully a recruiter from your program will have the time to see my talents as a player.

I have been described as humble, dependable and a leader of my peers, and I am sure I would be a great asset to your program if given the opportunity to prove myself. I enjoy working with all sports related activities and plan on advancing my education in Physical Therapy and a Sports Medicine degree. Hopefully if I am not in the game, I will still be court-side of an athletic program. I plan to specialize in athletic –injuries with a focus on treatment and recovery of sports related injuries. I appreciate the time and consideration you are giving to me and hopefully your program will come see my game.

Thank You,

Devonte Evans
