

To whom it may concern:

I'm writing to introduce you to Liam Sklar.

I've known Liam ever since her freshman year at Los Gatos High School in Los Gatos, California. I'm one of the golf instructors at the CordeValle Resort and Golf Club in San Martin, California, ranked in the top 50 golf resorts in the United States. When I met Liam, I was the PGA Head Golf Professional at Saratoga Country Club, Saratoga, California, where I have taught over 700 students.

Liam and I have worked together since 2012. When she started lessons with me, Liam was just a novice to the game, absolutely no background in golf.

This young lady is very passionate about golf and your facility for education. In my career as a PGA member, I have not seen such a *delightful, dynamic and dedicated* person who exhibits these marvelous qualities, which will enrich and energize your golf program.

I must also mention that Liam was captain of her golf team in her junior year. Usually this is reserved for the senior class golf team member. This tells me she has leadership qualities. The developments of her athleticism and golf skills have been a pleasure to witness. In the last 3 years she has made tremendous leaps with improvement. I really appreciate how Liam is willing to take on any challenge and is enthusiastic about learning and advancing in this very time consuming and demanding sport!

Thank you, in advance for any assistance you can provide.

Respectfully yours,

Frank Panetta
