

To Whom It May Concern:

It is an honor for me to write this letter of recommendation for my student, Will Hocker. I have known Will for the past three years, during this period of time I have grown to admire his work ethic and determination.

First, Will has been a member of the GHS Golf team at Grapevine High School for three years. As you know athletics is a full time job since they are unable to take any part of the year off. He has been able to successfully balance his sports responsibilities and his academic responsibilities. These attributes has led him to be a captain this year as a junior.

Second, Will is outgoing and always ready to help. He continually volunteers for projects that enable him to help others in need. Also, along the same line, Will is always willing to help the younger golfer when the opportunity arises.

Third, Will has heart. He shows compassion for others. Will is someone you know you can depend on in a time of need.

Finally, Will would be an asset to any college or university. He has the ability to lead or follow. He will works well with others and also takes the lead when it is necessary. It is my privilege to recommend Will for your program. If you have any questions please feel free to contact me at my e-mail at Heath.Bullard@gcisd.net or call me on my cell at 817-637-4908.
