High School Highlights:

2013-2014

I am currently in my junior year and play the number one position on our team. I was chosen as the Varsity Captain this year, even though there are 3 seniors on my team. I recently took 3rd place overall at the Steele Awards Invitational at Robson Ranch. I look forward to a solid season and hope to lead our team to the state tournament this year.

2012-2013

My sophomore year, I continued to play on the men's varsity team. I played in the 2nd & 3rd positions during tournaments. Our team placed first in our district and I won the district champion's spot with a score of 75-77-152. I tied for 11th place at the state preview held at Onion Creek Country Club in Austin, TX with a score of 76-70-146.

2011-2012

My freshman year, I was on the men's varsity golf team and played in the number three, four and five positions. The team placed 1st in our district and advanced to regional qualifying.
