Dear Matthew,

I wanted to take this opportunity to congratulate you on a sensational season. The team did an outstanding job despite the fierce competition from the opposition. You worked hard, remained focused and have concluded the season with a phenomenal record. Everyone in Yorktown is very proud of your accomplishment.

I also wanted to congratulate you on one of the best games I've ever attended in my thirty-four years in education. The team's performance at the Ossining game was incredible. Although I would have liked to see the game end differently, I could not have been more proud of your efforts and teamwork. The plays were well thought out, carefully executed, and followed-through with perfection. The team absolutely dazzled the Yorktown fans, as well as the Ossining fans with its stellar performance. I will never forget that game!

Again, my sincere congratulations to you as an individual and, most particularly, to you as a member of a great team. I wish you continued success and happiness throughout this school year.

Sincerely,

Dr. Ralph Napolitano
