

MOUNT KISCO HONDA IS PROUD TO PRESENT MATTHEW FEDRO OF YORKTOWN HIGH SCHOOL

Mount Kisco Honda's "Student Athlete of the Month," for the month of November is Yorktown Senior, Matthew Fedro.

For the 2009 fall season, Matt was selected Captain of the Husker Football Team. He has been a role model and leader for this program the last two years. He is currently the leading receiver in the league with 372 yards and two touch-downs. He is second in the league in tackles with a total of 49. Against a powerful Brewster team, he was 7 for 122 yards receiving, leading his team to victory.

Matt is the kind of athlete that takes responsibility for the good and the bad, wearing his heart on his sleeve. Recently, after losing to a very competitive team, he carried sole responsibility for the loss. The next game, determined to change things, he had 122 yards receiving, leading his team to victory. Matt serves as a mentor to his younger teammates, always helping them out and leading them down the right path. His teammates describe him as a leader and 'the person who gets it done'. Outside the team, he was selected as a 'Big Buddy,' to mentor incoming Freshman students.

Matt served as a volunteer for the Yorktown Athletic Club, assisting during their basketball clinics.

In the last two years, he has participated in 'Relay For Life', a marathon to raise money for cancer

research. Last year, Matt volunteered for the Yonkers school district at their annual 'Field Day' event.

Matt received Bronze and Silver scholarship pins for his roll as a member of the National Honor Society and maintaining a place on the High Honor Roll for four years. All while enrolled in Advanced Placement and college level courses.

Matt Fedro is the perfect example of a well-rounded student athlete. He is hard working and motivated both on and off the field. "He has been a pleasure to teach and coach these past few years. Matt always sets the bar high for himself and his teammates. He is well respected and admired by his teachers, coaches and teammates. Most importantly, he understands how to make those around him better. He has a quiet confidence in himself that resonates in all his achievements," Coach Rescigno. Congratulations Matt!
